Who We Represent

The HRLAA was established in the Fall of 2016. Our membership encompasses graduates of the ACHRO Leadership Academy focused on continuing the success of past, current, and future academy participants by creating new development opportunities and promoting current resources.

Mission, Vision, and Values:

Mission

Foster and empower the Leadership Academy members in building a strong future as successful leaders within California Community Colleges.

Vision

Our vision is to promote networking, career growth and fellowships by providing resources, venues for communication and a focus on the long-term goals of the Alumni.

Values

Respect – Support – Communication - Knowledge
