WHY WE NEED YOU

This is the only organization offering training and development for this dedicated group of individuals. This is an independent, self-funded and self-staffed effort. Success is attributed directly to sponsor support, member dues, and volunteers.

WHAT WE DO

Many Association activities center around annual Training Institutes. Part of our charge is to take responsibility and leadership for professional development efforts and to educate ourselves on the changing roles of Human Resources and Equal Employment professionals. It is critical we continue to provide support specific to California Community Colleges, an environment that is unique to any other institution of higher education.
