

CCC | Equitable Hiring Practices Curriculum

Introducing the new CCC | Equitable Hiring Practices Curriculum built specifically for the California Community Colleges.

This curriculum showcases how equitable hiring supports student success and how every stage in the hiring process is an opportunity to increase the diversity of faculty, staff and administrators.

Divided into three stages, pre-hiring, hiring and post-hiring, the EEO Hiring Curriculum reviews equitable hiring practices designed to increase the diversity of professionals across the campus.

How to Find This Training
